SAGA 1: THE SAIYAN SAGA:

CHAPTER 1:

"THE MYSTERIOUS WARRIOR"

1 Raditz arrives.

Five years have passed since Goku defeated Piccolo at the World Tournament. Goku is now a grown man with a wife, Chi-Chi, and a young son named Gohan. Life is peaceful on Earth. But suddenly, a strange alien spaceship crashes near Goku's house. A tall, muscular man with long hair and a scouter on his eye steps out. He introduces himself as Raditz — and he claims to be Goku's long-lost brother.

CHAPTER 2:

"GOKU'S TRUE ORIGIN"

2 Kidnapped!

Raditz reveals the truth: Goku is not from Earth. He is a Saiyan, a race of powerful alien warriors. His real name is Kakarot. He was sent to Earth as a baby to destroy it, but he

hit his head and lost his memory. Raditz demands that Goku help him conquer Earth. When Goku refuses, Raditz kidnaps Gohan as a hostage.

CHAPTER 3:

"THE UNLIKELY ALLIANCE"

3

The Alliance.

Goku knows he cannot defeat Raditz alone. He goes to his old enemy, Piccolo — the demon king who once tried to destroy Earth. Piccolo agrees to team up with Goku to save Gohan. The two former enemies prepare to fight together for the first time.

CHAPTER 4:

"THE BATTLE BEGINS"

4

Combat!

Goku and Piccolo attack Raditz together. But Raditz is incredibly strong — much stronger than either of them. He easily blocks their attacks and laughs at their weakness. Goku realizes they need a desperate plan.

CHAPTER 5:

"GOKU'S SACRIFICE"

5 The sacrifice.

Piccolo charges his ultimate attack — the Special Beam Cannon — a spinning, drill-like energy blast. He tells Goku to hold Raditz still, even if it costs Goku his own life. Goku grabs Raditz from behind in a full nelson hold. Piccolo fires the blast, and it pierces through both Raditz and Goku. Goku dies, but Raditz is defeated.

CHAPTER 6

"THE FINAL WARNING"

6 Final Warning

As Raditz lies dying, he reveals that two more Saiyans are coming to Earth — Vegeta and Nappa. They are even more powerful than him. They will arrive in one year. If Earth wants to survive, they must train harder than ever before. Raditz dies, and Goku's body disappears.
